

Your one and only answer is to believe in Jesus Christ and in his death and take a strong decisions in your heart to accept Jesus Christ as your personal Savior. By making this commitment, you are taking the biggest decision of your life. This decision is going to decide where and how you are going to spend your life after death.

Dear friend, by making the decision to follow Jesus Christ, you are not deciding to join any religion or church. You are making a decision to join with God. Bible says: "Salvation is found in no one else, for there is no other name under heaven given to men by which we must be saved" (Acts 4:12). The most precious thing in your life is your soul. Everything else will perish, but your soul will live for ever. So, do something for your soul while you are alive. **Tomorrow may be too late.** Make that decision now and secure peace of mind rest of your life on this earth and eternal life after death. May GOD bless you.

TIME IS RUNNING OUT

Life is a very precious thing to waste. We cannot get back the days already passed by. Those days were gone for ever. Moreover, you don't know what is going to happen to you in the coming days or in the next moment. If people and technology have the ability to pinpoint the next move in anybody's life, then it would have been easier for them to work around those problems. But nobody is going to have that ability. Along these lines, we need to remember a very important fact about human life. Your life on this earth is not the end of everything. It is the beginning of a long and never ending future in store for you.

All religions of the world in some fashion, believe in life after death. Hindu's believe in reincarnation. Human beings reborn into many lives, each time, it is hoped, improving himself and reaching a higher state the next time, depending on the deeds. They believe soul never dies. Muslims believe in resurrection. Qur'an clearly speaks about life after death. Life after death is a reality everybody has to face, whether you believe in it or not. Bible clearly pictures the human life cycle in very understandable terms. This cycle includes a short period of life on this earth and a never ending life after death.

Even though life after death is a fact, it is not going to be the same for everybody. Bible clearly speaks about two groups of people. One group is called **Children of God** and the other is called **Children of Satan**. Even though everybody belongs to one of these groups, you cannot belong to both of these groups at the same time.

According to Bible, by the disobedience of the first man and woman, Adam and Eve, the whole human race came under sin. Whether you commit a sin after your birth or not it doesn't matter, because you are a sinner to begin with. Even though you are born as a sinner, God has made some provisions for bringing you into the family of God. God sent His only begotten son Jesus Christ into this earth to die for all human beings, so that they can become children of God. But you have to do something about it. Bible says: "That if you confess with your mouth, "Jesus is Lord," and believe in your heart that God raised Him from the dead, you will be saved" (Romans 10:9). By doing so, you will become a child of God. God will forgive all your sins and make you clean through the blood of Jesus Christ. Joining a religious group or a church is not the answer.
